GENERAL NEWS

Dear Costumers,

Cordial greetings from Operadora Portuaria Centroamericana SA de C.V. -OPC. We are hoping that you are enjoying success in your commercial business.

The reason of this release is to notify that from January 1, 2015 the service by modifying dampers of reefer units, will cost USD 10.00, on the official instruction in import its going to be reflected in the baplie and in the case of export the data will be shown in the preadvise.

Is the shipping agency obligation of the both baplie and preadvise information appear as the ventilation, otherwise OPC is reflected not be held responsible for lack of information and / or damage to cargo.

This rate is independent of any other service; for example in the case of differences in the set point between documentation and physical unit it will not be modified by OPC staff, were left as physical display unit and the shipping discrepancy will be notified.

We thank you for your support and care as described above.

Greetings .
